

Introduction to Medical and Health Care Industry	2/2								Core Course College of Medical and Health Care
Anatomy and Physiology for Speech Language, and Hearing	3/3*								*Prerequisites for Seminar of Speech Language Pathology and Audiology(I), Clinical Practicum(I)
Speech Science		3/3*							
Introduction of Communication Disorders		3/3*							
Speech Science		3/3							
Biostatistics		2/2							Core Course College of Medical and Health Care
Ethics of Medical Care			2/2						Core Course College of Medical and Health Care
Child Language Development			3/3*						*Prerequisites for Seminar of Speech Language Pathology and Audiology(I), Clinical Practicum(I)
Phonetics			2/2*						
Basic Clinical Audiology			3/4*						
Acoustic Phonetics				2/2*					
Voice Disorder				3/3*					*Prerequisites for Seminar of Speech Language Pathology and Audiology(I), Clinical Practicum(I)
Fluency Disorder				2/2*					
Language Disorders in Children and Practice(I)				1/2*					
Clinical Practice of Hearing Aids					1/1*				
Language Disorders in Children and Practice(II)					2/2*				
Adult Language Disorders and Practice					3/4*				
Motor Speech Disorders and Practice					3/4*				
Articulation and Phonological Disorders					3/4*				
Clinical Language Disorders and Practice(I)					3/4*				
Augmentative and Alternative Communication						2/2*			
Clinical Case and Practice						2/2*			
Evaluation and Treatment of Swallowing Disorder						3/4*			
Aural Rehabilitation Clinical and Practice Management						3/4*			
Clinical Language Disorders and Practice(II)						3/4*			
Seminar of Speech Language Pathology and Audiology(I)							1/1		
Clinical Practicum(I)							9/9		
								The 2 subjects must be registered in the same semester.	

Seminar of Speech Language Pathology and Audiology(II)								1/1	The 2 subjects must be registered in the same semester.
Clinical Practicum(II)								9/9	
Subtotal Credits	7/7	11/11	10/11	8/9	15/19	13/16	10/10	10/10	
Subtotal Hours	15/16	21/21	14/16	14/15	15/19	15/18	10/10	10/10	

II. Required Subjects									
Division of Audiology (80 Credits/ 89 Hours)	1 st School Year		2 nd School Year		3 rd School Year		4 th School Year		Note
	Semester I	Semester II	Semester I	Semester II	Semester I	Semester II	Semester I	Semester II	
Psychology	2/2								
Introduction to Medical and Health Care Industry	2/2								Core Course College of Medical and Health Care
